**HIGHLAND COMMUNITY FOUNDATION RECEIVES FIRST “HIGHLAND ROAST” DONATION FROM  
SMALLTOWN COFFEE**

The owners of Smalltown Coffee Company recently presented the Highland Community Foundation with their first donation from a portion of the sales proceeds of “Highland Roast” coffee. Co-owners, Annette McKeown and Elizabeth Steel made the presentation to the Foundation at The Annex, a Highland apparel shop, which has sold the coffee in their store.

HCF partnered with Smalltown last year to create a special roast of coffee for the Town of Highland. Public input was obtained through two taste tests at last summer’s Highland Midweek Market at Main Square, and a Highland artist, Jessica Haug, was chosen to provide the artwork for the coffee packaging.

Smalltown made the donation to assist the Foundation’s “Highland Has Art” project.

Highland Roast can be purchased online at Smalltown’s website at <https://smalltown.coffee/shop-coffee/>, as well as at select Northwest Indiana locations.
